

NOELANI SALLINGS

FOR SANTA CLARA UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION AREA 2

The Sallings Family: (left to right) Dustin, Jennalynn, Sidney and Noelani

Who is Noelani Sallings?

A Santa Clara Parent who cares about the future of your children

"Noelani brings a new creative energy to problem-solving within the Santa Clara Unified School District. I have seen how much she cares about our kids and know she will work very hard and effectively to foster an environment where our students will be even more successful"

Teresa O'Neill, Santa Clara Unified School District Board Member

Education is a top value in our family. Whether it is reading about the latest technology or researching something that is of interest to us, we are always learning.

My background includes looking out for the best interests of all children, not just my own. My hard work on the Santa Clara Schools Foundation and the Bracher PTA indicates my desire to ensure every child has opportunities to learn, grow, and be successful. I want to give all students the tools to be successful.

I would like to build on the current School Board's commitment to high standards. Currently, these can be achieved through acquiring the fundamentals of literacy, math and science. However, the bar can be raised even higher through creative use of technology and more attention to the arts.

We, as a district, can achieve this higher standard. In order to do so, we must both support our current staff and recruit quality teachers. We must do everything we can to encourage our parents and community members to become involved in the education of their children.

As a new board member, I will dedicate myself to build on the success and wisdom of the current board. I hope to help the district, as a whole, focus more on making children and parents aware of all the resources available to them, and empowering children to achieve at an even higher level.

"As a parent, PTA leader and member of the board of directors of the Santa Clara Schools Foundation, Noelani has worked tirelessly in behalf of the students of the Santa Clara Unified School District. I recommend her election to the Board of Trustees of the SCUSD, Area 2"

Clare Callejon, Former President of the Santa Clara Schools Foundation
