

# NOELANI SALLINGS

## For SCUSD Board of Education Area 2

Education is a priority in our family. As both a parent of a SCUSD student & a community member, I have a greater understanding of the needs of our diverse community. My background brings a creative problem solving approach & fresh ideas to the board. My dedicated work on the SCSF, & as Bracher PTA President has yielded positive results. I respect the current board & will continue to focus on high standards while creating an empowering environment for all children. Together we will build a stronger community.

**Noelani brings a new creative energy to problem-solving within the Santa Clara Unified School District. I have seen how much she cares about our kids and know she will work very hard and effectively to foster an environment where our students will be even more successful. -- Teresa O'Neill, SCUSD Board of Education Member**
